Applicant Agreement and Financial Policy

By signing this application, I state and agree that:

- 1) I will encourage my student to abide by the policies and philosophy of education at CRICS and will work with the administration and teachers to support those policies and rules deemed necessary.
- 2) I will support and help my student to observe all school policies and regulations, including protecting the school's equipment, buildings, property, and good name. I acknowledge that if my student or myself should become dissatisfied, and publicly critical of the work of the school, its Christian standards, or its educational process, my student may be dismissed.
- 3) The administration has full responsibility for placement of my student in the proper grade.
- 4) That prior to enrollment, we will examine and consider the financial commitment needed for our student to attend CRICS. Acceptance of the financial package will indicate acceptance of the payment schedule and fee structure, including any fees for ESL or other programs.
- 5) Tuition will be paid on time by the first Friday of each month (if paid monthly). Tuition which is paid by semester, or yearly, will be paid in full prior to the start of the period. A LATE FEE OF 100 BAHT per day after 7 days late, per family is automatically assessed for late tuition, unless arrangements have been made prior to the due date with the accounting office or administration. The late fee has a cap of 2000 Baht. If a problem should arise regarding payment, I agree to contact the school office as soon as possible. If payment is more than 21days late, and prior arrangements have not been arranged with the administration, then further action will be taken. These actions may include temporary suspension, withholding of report cards and diplomas, and eventually student withdrawal from school.
- 6) If my student is withdrawn for financial non-payment, then I understand that all past fees must be paid in full prior to each semester or year, and I will no longer have the option of monthly payment.
- 7) All information stated in this agreement is true and complete, to the best of my knowledge. The discovery of omission or falsification may keep my student from acceptance and if enrolled, to dismissal.
- 8) The application will be reviewed and a decision made once all forms and the application fee (1000 baht) is received. This form must be signed by both parents/guardians (unless one is not living at the student's home):
